**CHABLIS GRAND CRU
LES CLOS
2021**

A very cool and stony Chablis in which the chalky minerality is far more expressive than the fruit, the latter slowly emerges as the wine flows over the palate, expanding all the time. Super-stony finish that goes on and on. Needs a moment longer in the bottle to give its best, but already so pristine. Drinkable now, but best from 2025.

**CHABLIS GRAND CRU
BLANCHOT
2021**

Very youthful, but with the kind of vitality and flintiness I remember the great Chablis from the best vintages of the 1990s having. Nice touch of toasted baguette, but also plenty of Amalfi lemon. Concentrated and firmly structured this is quite a radical expression of this appellation. Needs some time to reach its peak, but very exciting. Drinkable now, but best from 2025.

**CHABLIS GRAND CRU
PREUSES
2021**

Complex smoky nose with aromas of Amalfi lemon, pear skin and flint. A highly-structured Grand Cru Chablis that's still tightly wound, but will surely have a long life. Quite a firm tannic finish at the moment. Very limited production. Drinkable now, but best from 2025.

**CHABLIS PREMIER CRU
FOURCHAUME
2021**

Very expressive nose of lime zest and a whole garden of fresh herbs. Wonderful interplay of richness and concentration with wet stone freshness. What a beautiful finish in which the ripeness and minerality deftly complement one another! It pulls you back for more of this excellent 1er Cru Chablis. Drink or hold.

**CHABLIS PREMIER CRU
MONT DE MILIEU
2021**

Intense lemon curd and yellow grapefruit aromas plus delicate notes of herbs and flint are married to a surprisingly powerful body and a very crisp acidity that drives this over the palate at a brisk clip. Long chalky finish. Drinkable now, but best from 2024.

**CHABLIS PREMIER CRU
MONTÉE DE TONNERRE
2021**

More citrusy freshness to this, showing grapefruit, lemons and chamomile, with hints of beeswax and smoked almond undertones. Medium- to full-bodied, complex and focused, balanced by that zesty acidity. Even better from 2024.

**CHABLIS PREMIER CRU
CÔTE DE LÉCHET
2021**

Biscuits, oyster shells, lemon rind and white grapefruit here. Touch of bitter fennel. Medium-bodied, bone-dry and focused. Lingering biscuity and citrus rind character. Drink now or hold.

**CHABLIS PREMIER CRU
MONTMAINS
2021**

Lots of crushed stones and blanched almonds on the nose, with lemon pith and oyster shell. Medium-bodied, mineral and chalky, almost powdery in texture. Drink or hold.

**CHABLIS D1840
2021**

Nicely focused with notes of almond cream, pineapples and pie crust. Salty hints. It's medium-bodied, textured and dialled back on the fruit. Drink now.
